

How universities work and How we work with universities?

Application Procedures of High valued scholarships (Government Scholarships, Principal's Scholarships)

How universities work	NOTE	How we work with universities?	Duration
Receive applicants' docs from ISSP team	we will collect student documents and upload it to school system within one day if all documents completed.	Submit the application within the day all documents completed ISSP team will assesses all the docs in 1-2days after collecting all the required docs to make the process as short as possible.	Day 1
3 working days in international office The International Education Academy of the university will have the first assessment, and it will take around 3 working days.	we will follow up teacher assessment and try to make it quicker	follow up first round of assessment of school ISSP team will send the docs to the International Education Academy of the university for assessment, and it will take around 3 working days. (It takes much shorter time for our cases than other normal cases)	Day 2-5
5-10 working days in secondary academies The Academy will send the docs to secondary academies for assessment, and it will take 5-10 working days.	we will follow up teacher assessment	follow up second round of assessment of school ISSP team will contact with the teacher every 2 days to speed up the process	Day 5-15
7-14 days for decision on the weekly principal meeting The secondary academies' assessment will be submitted to the principal meeting and the ultimate decision will be released in 7-14 days. (the result will be issued once a week or once in 2 weeks by principal meeting (It really depends on the principal's schedule)	this step we can only wait for feedback from school	follow up second round of assessment of school ISSP team will get the result at the first time after the principal meeting. If the students didn't get the scholarship successfully, we will apply for them other similar programs.	Day 15-30
The university will submit the application list to the Municipal Foreign Affairs Office for assessment, and it will take 3-10 days.	this step we can only wait for feedback from school	follow up final round of assessment of school and give proper action once result come out Communicate with universities frequently during the process in Municipal and Provincial Foreign Affairs Office in case of students being rejected or other unexpected situation. (It will normally take 7-14 days, but if the officers go on business trips, it will take longer time.)	Day 30-34
The municipal office will send the approved application to the Provincial Foreign Affairs Office for the last assessment and make the visa application (JW202). It will normally take 7-14 days, but if the officers go on business trips, it will take longer time.	this step we can only wait for feedback from school	At same time, we will send another group of student from waiting list for selection	

NOTICE: Some universities will announce the scholarship result uniformly (Like in July or August)

Scholarship Value: Free tuition fee (even free accommodation fee and monthly pocket money)

Every full scholarship winner is not only evaluated and granted by the university itself. All the universities have similar application procedures, but the release time of scholarship results will depend on the period of assessment time.
